[Verse 1]
E                D             A             D
  Won't you come see about me? I'll be alone dancing, you know it, baby.
E              D                    A                    D
  Tell me your troubles and doubts, giving me everything inside and out, and out.

  Love's strange, so real in the dark, think of the tender things that we were working on
E                 D              A                   D
  Slow change may pull us apart, when the light gets into your heart, baby

[Chorus]
E           D               A    D
  Don't you... forget about me,  don't, don't, don't, don't.

Rain keeps falling, rain keeps falling down, down, down.
C                       G
Will you recognize me, call my name or walk on by?
D                                   A
Rain keeps falling, rain keeps falling down, down, down, down

[Verse 2]
E           D               A                    D

       E            D                    A             D
I won't harm you or touch your defences; vanity and security.

  Don't you forget about me, I'll be alone dancing, you know it, baby.
E          D               A                   D
  Going to take you apart, I'll put us back together at heart, baby.

[Chorus]

  Don't you... forget about me,  don't, don't, don't, don't.
