The Funk Surprise by Cameron Cannell

Verse 1:
B A
We were hummin'
Started strummin'
Began to rock it
It started rollin'
We were reelin'
Blew away the ceilin'
Got an eye full
Of a sky full of stars

Chorus:
E A
Yeah the funk surprised us
Cleared my eyes up
Yeah the funk surprised us
Cleared my eyes right up

Verse 2:
B A
Now we're boppin'
Fingers poppin'
Stop the mopin'
Started copin'
Uncovered carin'
Started sharin'
A total feelin'
Beyond words

Chorus:
E A
Yeah the funk surprised us
Cleared my eyes up
Yeah the funk surprised us
Cleared my eyes right up

Solo:
B A x 4
