'My friends
                            Em7    A7
feel it's their appointed duty
                     Em7    A7
They keep trying to tell me
                        Em7    A7
All you want to do is use me
         Em7    A7
But my answer,
                                 Em7    A7
yeah to all that use me stuff
N.C.
I want to spread the news
N.C.
That if it feels this good getting used
N.C.
You just keep on using me
                     Em7    A7
Until you use me up
                     Em7    A7
Until you use me up
```

[Verse 2]
```
               Em7    A7
My big brother
                                       Em7    A7
sit me right down and he talked to me
         Em7    A7
He told me that
                                    Em7    A7
I ought not to let you just walk on me
                          Em7    A7
And I'm sure he meant well
                                     Em7    A7
Yeah, but when our talk was through
N.C.
I said, brother, if you only knew
N.C.
You'd wish that you were in my shoes
N.C.
```

You just keep on using me
Em7 A7
Until you use me up
Em7 A7
Until you use me up

[Verse 3]
Em7 A7
You know sometimes,
Em7 A7
it's true, you really do abuse me
Em7 A7
You get me in a crowd of high-class people
Em7 A7
And then you act real rude to me
Em7 A7
But, oh baby, baby, baby, baby
Em7 A7
When you love me, I can't get enough
N.C.
I want to spread the news
N.C.
That if it feels this good getting used
N.C.
Girl, you just keep on using me
Em7 A7
Until you use me up
Em7 A7
Until you use me up
N.C.
Talkin' 'bout you usin' people
N.C.
It all depends on what you do
N.C.
It ain't too bad the way you're usin' me
Em7 A7
Cause I sure am usin' you to do the things you do'
Em7 A7
To do the things you do
