[Verse 1]

G
  Twenty-five years and my life is still
Am
Trying to get up that great big hill
   C   **G**
Of hope for a destination
  G
I realized quickly when I knew I should
         Am
That the world was made up of this brotherhood
   C   **G**
Of man, for whatever that means

[Pre-Chorus]
```
         G
And so I cry sometimes when I'm lying in bed
        Am
Just to get it all out, what's in my head
      C                          G
and I - I am feeling a little peculiar
         G
And so I wake in the morning and I step outside
      Am
and I take a deep breath and I get real high and
  C                                              G
I scream from the top of my lungs "What's going on?"
```

[Chorus]
```
            G           Am
And I said "Heyeyeyeyey Heyeyey"
        C                 G
I said "Hey, what's going on?"
            G           Am
And I said "Heyeyeyeyey Heyeyey"
        C                 G
I said "Hey, what's going on?"

And I try, oh my God, do I try
              C                  G
I try all the time, in this institution
      G                     Am
And I pray, oh my God, do I pray
                    C
I pray every single day
          G
For a revolution
```
