I WILL SURVIVE
by Gloria Gayner

[Intro]

E7b9

[Verse 1]

```
   Am                        Dm
At first I was afraid, I was petrified,
             G                                Cmaj7
Kept thinking I could never live without you by my side.
          Fmaj7                          Bm7b5
But then I spent so many nights, thinking how you did me wrong,
          Esus4                E
And I grew strong; and I learned how to get along.

             Am               Dm
And so you're back, from outer space,
             G                                   Cmaj7
I just walked in to find you here, with that sad look upon your face.
             Fmaj7
I should have changed that stupid lock,
             Bm7b5
I should have made you leave your key,
         Esus4                                  E
If I had known for just one second, you'd be back to bother me.
```

[Chorus]

```
          Am               Dm
Go on now, go; walk out the door;
          G                           Cmaj7
Just turn around now, 'cos you're not welcome any more.
Fmaj7                               Bm7b5
   Weren't you the one who tried to hurt me with goodbye?
                Esus4                       E
Did you think I'd crumble; did you think I'd lay down and die?
          Am           Dm
Oh no, not I; I will survive,
       G                             Cmaj7
Oh, as long as I know how to love, I know I'll stay alive.
         Fmaj7                         Bm7b5
I've got all my life to live, I've got all my love to give,
           Esus4           E           Am
And I'll survive, I will survive, hey hey
```

[Interlude]

(**Am**) **Dm G Cmaj7 Fmaj7 Bm7b5 Esus4 E**

[Verse 2]

```
        Am                              Dm
It took all the strength I had not to fall apart.
```

```
            G                              Cmaj7
Kept trying hard to mend the pieces of my broken heart.
            Fmaj7                            Bm7b5
And I spent oh, so many nights, just feeling sorry for myself,
          Esus4          E7
I used to cry, but now I hold my head up high.
            Am           Dm
And you see me; somebody new,
             G                                  Cmaj7
I'm not that chained up little person, still in love with you.
           Fmaj7                            Bm7b5
And so you felt like dropping in and just expect me to be free,
        Esus4                         E
Now I'm saving all my loving, for someone who's loving me.

[Chorus]

           Am               Dm
Go on now, go; walk out the door;

Just turn around now, 'cos you're not welcome any more.
Fmaj7                               Bm7b5
   Weren't you the one who tried to break me with goodbye?
                  Esus4                        E
Did you think I'd crumble; did you think I'd lay down and die?
           Am           Dm
Oh no, not I; I will survive,
       G                             Cmaj7
Oh, as long as I know how to love, I know I'll stay alive.
         Fmaj7                          Bm7b5
I've got all my life to live, I've got all my love to give,
